

Actual Size: 100% when viewed on A4 paper

Blue line = bleed off to here.

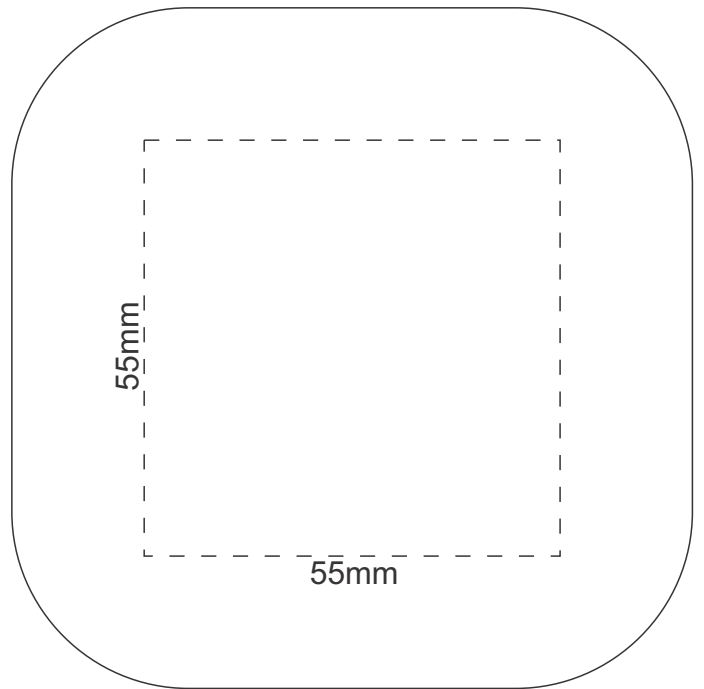

Black line is actual size of the coaster.

Pink line indicates maximum safe print area.
Any artwork outside this line will be subject to blurring due to the thicker edge of the coaster.

Print applied on the underside of Coaster.
Coaster has a textured finish on topside.
Background will be clear unless coloured otherwise

Direct Digital

Print applied on the underside of Coaster.
Coaster has a textured finish on topside.
Background will be clear unless coloured otherwise

Pad Print

Note: Some minor over spray may be apparent when digitally printing full reversal prints
